The most stunning unique venue for an intimate wedding. From the exposed brick and stained glass windows to the quaint ceiling beams adorned with romantic twinkling lights and textured foliage..this beautiful historical old church has all the character mixed with a modern twist; and set in the beautiful little village of Rostrevor, where we stepped across the road to the Fairy Glen for our Forest Photographs. My husband and I had our dream wedding in the church in September 2018 and it really was an absolute fairytale. The warm and friendly staff felt like family and they went above and beyond in every way. The standard of the food was comparable to a 5 star restaurant and the whole flow of the day and service was seamless. John, the owner even chauffeured us home at the end of the night. It really is a true hidden gem for couples who want a really quirky and extraordinary wedding experience.

The most magical day of our lives

My husband and I could not have had a more magical, intimate or memorable experience. We had fifty-five adults and five children under five years old and it was the most perfect setting and celebration we could have asked for. First of all the venue was so fitting for our personal occasion. We would highly recommend it to anyone considering The Church for your wedding day. The management and staff could not have been more helpful in the enquiring stages, the lead up to the wedding and on the day itself. Everything we asked in order to achieve the personal touch was delivered and nothing was too much for The Church to cater for. If you want the most incredible day that you will cherish for the rest of your life; have your reception in The Church, Rostrevor.

Wedding 🏠

We were married in June 2021 In the middle of the pandemic and with ever changing COVID restrictions.

Two weeks before our wedding, our venue was cancelled (private marquee) and living abroad in Luxembourg meant trying to find a last minute venue looked hopeless.

The Church not only stepped up with only 2 weeks notice, they planned the day: food, cocktails, reception drinks and canapés, layout and decoration, with no complaints and with calmness. The church was immaculately presented, the food was fabulous (we had steak) and it was a wonderful day.

I can't say enough about their professionalism, kindness, patience, pro-activeness and accommodation on the day and in the 2 weeks before. You really saved us.

I have to say a special thanks to the staff and management whose service and delivery was nothing short of excellent. There wasn't an empty glass or hungry person all day and night - I particularly recommend the lemon drop cocktails!
